

# Snake Avoidance Clinic for Dogs

## It could save your dog's life!!!

---

The High Desert Chapter of Quail Forever, a non-profit habitat conservation organization will be hosting its 11<sup>th</sup> Annual Snake Avoidance Clinic for dogs. Even with vaccinations, snake avoidance is still the best way to protect your dog against a snake bite. Training sessions will be 15 minutes in length in a Natural Environment, NOT a parking lot.

Funds raised from this event will be used to directly improve wildlife habitat in the High Desert. Quail Forever maintains and restores water "Guzzler" sources. There are over 400 Guzzlers throughout the High Desert extending into the Mojave Preserve.
